We need you with us—to protect America's wild public lands and waters.

Great Old Broads for Wilderness is a national grassroots organization, led by women, that engages and inspires activism to preserve and protect wilderness and wild lands.

Conceived by older women who love wilderness, Broads gives voice to the millions of older Americans who want to protect their public lands as Wilderness for this and future generations.

We bring knowledge, commitment, and humor to the movement to protect our last wild places on earth.

Your contributions fund our grassroots leadership training, communications, educational programs, stewardship activities, and more. And, a portion of your membership dollars also goes back to support your local Broadband.
