Grassroots Leadership and Advocacy: We have trained and organized teams reaching 40 local Broadbands (chapters) throughout the country to advocate for wild lands; organized leader training workshops, regional Broadwalks, outings, and volunteer projects; supported and mentored local Broadbands with communication tools, access to materials and information, and ongoing coaching. We assist Broadbands in establishing relationships with public land management agencies to carry out the organization's goals for management of wild and roadless public lands, and we serve as eyes and ears on the ground to advocate for land management methods and approaches that maintain or improve ecosystem health.

Wilderness Stewardship and Advocacy-We organized "Broadwalks" in support of proposed wilderness and performed volunteer service and monitoring projects at many locations across the west and nationwide. Engaged in collaborative efforts for wilderness or public lands protection and wildland protection. Encouraged attendance at public lands planning and management meetings, analyzed and commented on relevant agency proposed actions, prepared specific bulletins and research on wilderness topics, educated members to communicate with decision makers. Engaged in litigation as needed to protect wild values of our public lands.
