

SUBMIT COMMENTS TODAY on the Grand Mesa-Uncompahgre-Gunnison National Forest Draft Plan that will determine land management practices for decades!

► Advocate for:

- Baldy & Bear Creek as Recommended Wilderness
- Hayden Mountain & Mount Abram as Special Management Areas
- Bear Creek & Cow Creek as Wild and Scenic Eligible Rivers
- Robust Tribal Consultation
- Analysis of Climate Change Impacts
- Stronger Protections for Wildlife (Canada lynx, bighorn sheep, moose, elk)
- Reduction of Logging and Associated Road-Building in the Backcountry
- The Community Conservation Proposal (gmugrevision.com)
