

10:10:34 From Pam Conley : May I be open to magic in all its wild, mysterious, & beautiful forms. May I have no fear of my own power and may I walk through my other fears with courage. Excerpt by Molly Remer 2018 In We'Moon calendar for 2020 page 140.

10:11:18 From Ammie : May it be!

10:26:17 From Ammie : "I used to think that top environmental problems were biodiversity loss, ecosystem collapse and climate change. I thought that thirty years of good science could address these problems. I was wrong. The top environmental problems are selfishness, greed and apathy, and to deal with these we need a cultural and spiritual transformation and we scientists don't know how to do that..."

—Gus Speth, (US Advisor on climate change and Yale professor)
